

Eurasian Journal of Molecular and Biochemical Sciences

Copyright Assignment & Warranties Form

Manuscript Number: _____

Title: _____

Upon the publication of the article, author jointly and severally grants all rights, title, and interest therein, including any and all copyrights in all forms and media now or hereafter known, to the Eurasian Journal of Molecular & Biochemical Science which is published by Erzurum Technical University.

Author warrants this article to be original work not published elsewhere and approves it for publication. Author further certifies that substantial contribution was made to accept public accountability for it, that any right or interest in the article has not been assigned to any third party, and that all figures and illustrations included have not been digitally altered and do not misrepresent the actual circumstances reported in any way.

Author declares to have no commercial association (e.g., equity ownership or interest, consultancy, patent and licensing agreement, or institutional and corporate associations) that might be a conflict of interest in relation to the submitted manuscript, except as disclosed in the Conflict of Interest of the article. All sources of funding in support of the work presented in the article are indicated in the Acknowledgements of the manuscript.

Each author must sign this statement to indicate the acceptance of the terms of publication.
